January 2010

BioTech X-ray Expands Coverage 24/7, Adds Ultrasound

BioTech X-ray is pleased to announce that as of January 11, 2010, we have expanded our hours of coverage in Southern, Central & Northern Illinois and Eastern Iowa and have added ultrasound and Doppler services in Central Illinois. We are also now staffed to offer Doppler Studies (Venous, Arterial & Carotid) and Ultrasound (Abdominal-Gallbladder/RUQ, Kidney, Thyroid & Testicular, Small Parts, Superficial Structures) to our Central Illinois clients, 8am—4pm, Monday – Friday. All requests for routine x-ray service received by 4pm, M-F, will be handled the same day. All requests of an urgent nature that cannot wait until the next routine business day will be handled by our on-call technologist, 24/7.

If you have questions about your contract or pricing for Doppler & Ultrasound services, contact your [local regional account manager](#). Ultrasound & Doppler services are also available in the St. Louis metro as well as southern IL.
